Have you ever wanted to learn more about butterflies? Here's your chance! The Maricopa County Parks and Recreation Department is hosting a butterfly training program to help determine population trends, species richness, and diversity within the county. Attend the workshop and learn:

- Sulphur and Skippers butterfly identification,
- receive a brief introduction to helpful butterfly apps, and
- much more!

Then, put your skills to the test at one of our upcoming butterfly monitoring programs!

UPCOMING MONITORING PROGRAMS

MARCH 23
